

# NO CHILD LEFT BEHIND???

We **thank you** parents/guardians for allowing your child to be a part of the Homewood-Flossmoor Field Hockey Program. As with the federally mandated program of no child being left behind academically, we, the coaches of HFFH, want to make sure that our student athletes are properly looked after and provided support in the area of **returning home** from practices/games. In order for that to occur, please arrange for your child to be picked up **ON TIME** at the completion of practices/games. Although we all enjoy field hockey, we have other responsibilities and value our time. We are required to remain on campus until all our athletes have been picked up thus we would truly appreciate your cooperation in this matter.

## THANK YOU !!!
