About the Granite Stones

The NNHS Athletic and Activities Departments are now offering an opportunity to display your company information on a permanent piece of black granite. Your company name will be a part of the walkway to our newly renovated stadium entrance. The money raised from this project will help us upgrade our facilities and provide a welcoming venue for years to come. These special bricks will be a permanent artifact that represent your company at Naperville North High School for years to come.

Naperville North's new stadium will be a forum for all students to utilize, no matter the sport or activity. Work on the new stadium will begin in the fall of 2008. Granite stones will be laid in the summer of 2009.

Granite Stone Information:

Each black granite stone will measure to be 16 by 16 inches and will include your company logo. All corporate logos and artwork need to be saved on a CD in PDF or Jpeg format.
